

Ron,

Hope this has all the statistics that you need for the league. I got as much info as I could. It won't look exactly like the boxscores you see in the paper but it should have nearly everything the MLB boxes have. I didn't get the names of players who made errors or were caught stealing, the pitchers who threw wild pitches or catchers who had passed balls, or guess the attendance for each game.

Thanks to you and Richard for bringing minor league baseball to Sweetwater this past weekend. My family and I really enjoyed the Classic, and my wife and daughter came to three of the four games (plus the Saturday concert) even though they aren't big baseball fans. Sorry our town couldn't deliver better crowds, but I think the people that came did have a really good time.

Sincerely,

Ron Howell

P.S. Hope you like my followup story in Monday's Sweetwater Reporter; all of it should be online. There is one correction: Anselmo Vasquez was actually 6-for-12 (.500) instead of 7-for-13 (.538) in the series.

Also, I just talked to Richard and he said teams are definitely coming here again, either July 24-26 or Aug. 7-9. Thanks again for your interest; we'll try to do better next time.
